

PRODUCT SPECIFICATION

SAFETYWARE NoiseShield Lite Earmuffs

- The SAFETYWARE NoiseShield™ Lite Ear Muff is a lightweight hearing protection solution engineered for comfort and safety.
- Its reinforced, adjustable headband offers three versatile wearing positions, ensuring a secure fit for different users.
- Soft foam-filled cushions create a snug seal, effectively reducing harmful noise exposure.
- The high-visibility green color improves safety awareness in noisy workplaces.
- Certified to meet strict European and American safety standards, this ear muff is a dependable choice for reliable noise protection.
- SIRIM-DOSH approved.

APPLICATIONS

- Industrial workplaces with high noise levels
- Construction sites requiring reliable hearing protection
- Manufacturing facilities with heavy machinery
- Workshops and automotive repair stations
- Airports and transportation hubs
