

PRODUCT SPECIFICATION

SAFETYWARE NoiseShield Pro Earmuffs

- The SAFETYWARE NoiseShield™ Pro Ear Muff delivers excellent noise reduction with its ergonomic and lightweight design.
- Featuring a reinforced, adjustable headband, it provides a secure and personalized fit, while the soft foam-filled cushions ensure lasting comfort.
- Its high-visibility yellow color promotes greater workplace safety awareness.
- Designed for use in industrial, construction, and transportation sectors, this ear muff complies with strict CE and ANSI standards, offering dependable hearing protection.
- It is an essential choice for professionals operating in high-noise environments.
- SIRIM-DOSH approved.

APPLICATIONS

- Industrial workplaces with high noise levels
- Construction sites requiring reliable hearing protection
- Manufacturing facilities with heavy machinery
- Workshops and automotive repair stations
- Airports and transportation hubs
