

# PRODUCT SPECIFICATION

## SAFETYWARE NoiseShield Max Earmuffs

Item Code: HP601

- The SAFETYWARE NoiseShield™ Max Ear Muff delivers maximum noise reduction in a lightweight, ergonomic design.
- Featuring a reinforced, adjustable headband for a secure and personalized fit, it also comes with soft foam-filled cushions that ensure superior comfort during extended wear.
- Its high-visibility red color promotes safety awareness in the workplace.
- Designed for use in industrial, construction, and transportation environments, this ear muff complies with stringent CE and ANSI standards, making it a trusted choice for professionals working in extreme noise conditions.
- SIRIM-DOSH approved.

## APPLICATIONS

- Industrial workplaces with high noise levels
- Construction sites requiring reliable hearing protection
- Manufacturing facilities with heavy machinery
- Workshops and automotive repair stations
- Airports and transportation hubs
