

PRODUCT SPECIFICATION

SAFETYWARE 3-Ply Kids Premium Face Mask (Earloop)

- This face mask provide nose and mouth protection against dust, pollen, bacterial and more.
- Made with premium quality Meltblown filter which offers high Bacterial Filtration Efficiency (BFE) of $\geq 99\%$.
- Outer layer is made of hydrophobic non woven polypropylene which provide good fluid splashes resistance while maintaining good breathability.
- The inner soft non woven polypropylene layer is hydrophilic which absorb droplets from the wearer effectively and makes the masks comfortable to wear.
- Adjustable nose strip and flat elastic ear loop to give basic protection to the user.
- Made by ultrasonic welding technology which provides strong bonding of mask & earloop.
- Comes with a smart pulls dispenser box which makes it convenient to pull up a mask.
- Features:
 - Soft & comfortable
 - Hypoallergenic
 - Low breathing resistance
 - Adaptable nose bar
 - Perfect fitting
 - UV sanitized
 - Disposable
- Made in Malaysia.

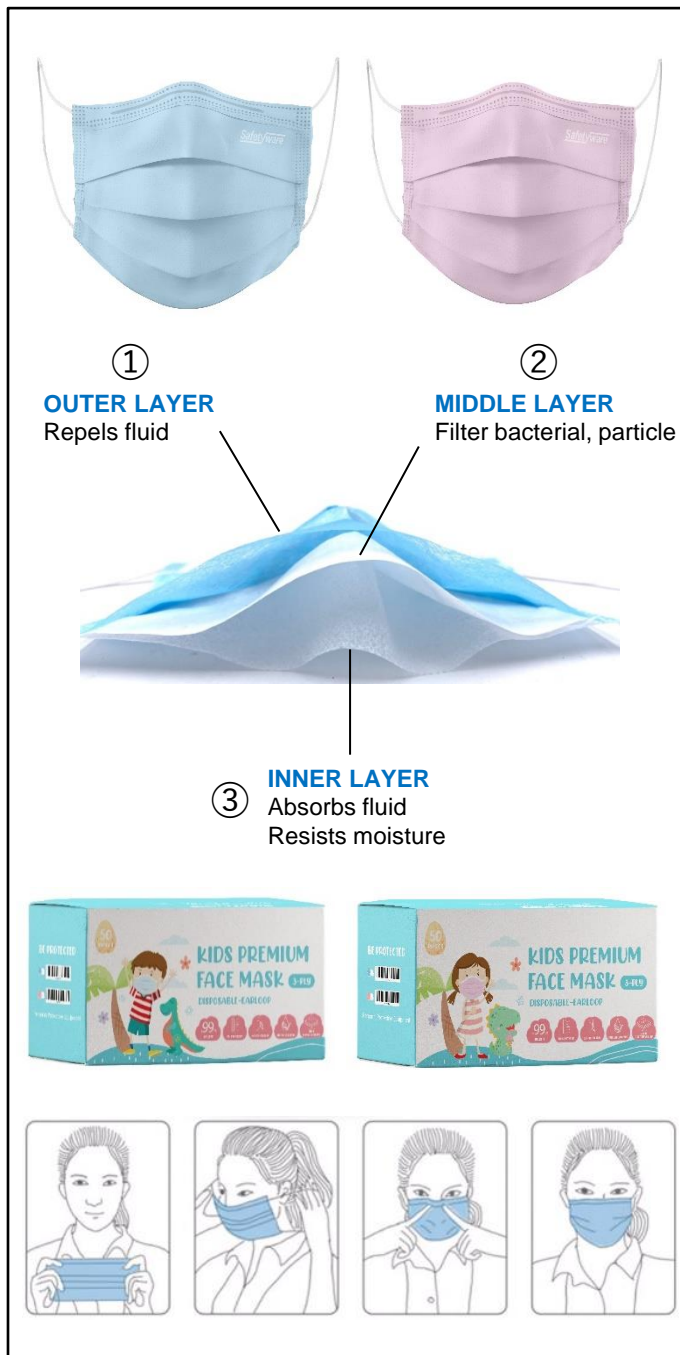

STORAGE

- The face mask shall maintain it's properties in a closed pack and stored in a cool dry condition.
